No. L. B. (P.) 405, dated 6th October 1903.

The following Notification No. 55, dated the 19th September 1903, issued by the Chief Commissioner of Coorg, is republished for general information:—

"Whereas the Chief Commissioner of Coorg is satisfied that there is danger of an outbreak of plague at Bhagamandala, a village in Thavanad-Sampajinad of Padinaknad Taluk in Coorg, if persons from the Mysore State, the District of South Canara and other plague-infected areas are permitted to assemble at that place on the occasion of the ensuing Talakaven Jatra during the Tula Sankramana.

In exercise of the powers delegated to him under the Epidemic Diseases Act, 1897, the Chief Commissioner prohibits the attendance at the said Jatra of persons from Mysore, South Canara, and other plague-infected areas from the 10th October to 15th November 1903.

All persons proceeding to the Jatra in contravention of this notification, will be turned back."

No. L. B. (P.) 422, dated 14th October 1903.

It is hereby notified for general information that attendance of persons from infected areas, at the festival noted below, has been prohibited by the Madras Government:—

No. 1802—G. F. 160 of 1892, dated 14th October 1903.

The following is to be substituted for Rule II of the revised Subsidiary Rules for the erection, repair and endowment of monuments in Government cemeteries, published with Government Notification No. 15131—G. F. 160-92, dated the 14th March 1902.

II. The Chaplain or other officer in charge will send on the application, with the drawing and estimates, with a forwarding letter (Form B annexed) to the Executive Engineer in charge of the Cemetery. The Executive Engineer will fill in column 7 and examine and countersign the drawing and the estimate, and return the application, with the drawing and the estimate to the Chaplain.

The foregoing procedure applies to the case of monuments of all other kinds and to the case of single stone monuments erected by soldiers to their deceased comrades, for the maintenance and repair of which the State is responsible. It does not apply to other single stone monuments. A single stone monument is a monument consisting only of a plain cross head stone or slab over a masonry foundation 3' x 2'. The total height of such monuments must not exceed 3 feet in the case of masonry graves and 3 feet 6 inches in the case of non-masonry graves.

The repair of fragile or costly work liable to receive damage cannot be undertaken by Government.
